**October**

The background is a solid dark orange color, decorated with various silhouettes of autumn leaves in a lighter shade of orange. The leaves are scattered across the frame, with some appearing as simple outlines and others as more detailed shapes with veins.

**Autumn, darker  
nights and  
transport**

A photograph of a dirt path winding through a forest. The trees have vibrant autumn foliage in shades of yellow, orange, and red. The path is covered with fallen leaves, and the scene is bathed in warm sunlight. The text "Talk to the children about Autumn" is overlaid in a large, white, bold font with a red outline.

# Conkers

A vibrant autumn display featuring pumpkins, corn stalks, and mums. The scene is set outdoors on a grassy area. On the left, a large, tall stalk of dried corn stands prominently. In the center and foreground, several pumpkins of various sizes and colors (orange, yellow, and red) are arranged. A large, round orange pumpkin is the central focus. To its right, a smaller, round orange pumpkin sits in front of a pink pot filled with bright yellow chrysanthemums. Behind the central pumpkin, a large, round orange pumpkin is partially visible. In the background, more pumpkins and a large, round orange pumpkin are scattered. The overall atmosphere is warm and festive, typical of a fall festival or pumpkin patch.
